Team HCWhitney announces successful completion of 4 ENERGY STAR® Homes

[Birmingham - AL] — HCWhitney, LLC, an affiliate of Rosebay Development Partners, LLC located in Birmingham, AL today announced the successful completion of four ENERGY STAR® homes in Huntsville, Alabama.

“This makes six homes we have delivered in the Huntsville area with the ENERGY STAR® label and we are looking forward to many more”, stated Jay Wilson, the Company’s Executive Vice President. Whitney Oswald, the Company’s President elaborated further, “As a committed ENERGY STAR® Partner, we offer services as a custom builder, system-built builder, renovator and remodeler and commercial builder/project management firm.”

HCWhitney, LLC is a licensed general contractor specializing in light commercial, municipal and residential construction projects. In addition the company has expertise in the utilization of system-built technologies such as Structured Insulated Panels (“SIPS”) and modular buildings. The company is affiliated with Rosebay Development Partners, LLC which offers general business, municipal and political consulting services.

“Our construction affiliate mirrors our efficiency philosophy that is the common thread in all of our business operations,” said Neal Orr, RDP Executive Vice-President. “Whether it is new family homes, political campaigns or retrofits for municipal buildings our goal is to absolutely maximize to benefit our clients. We’re in the business of winning.”
